Debit and Alternative Products Advisory Service

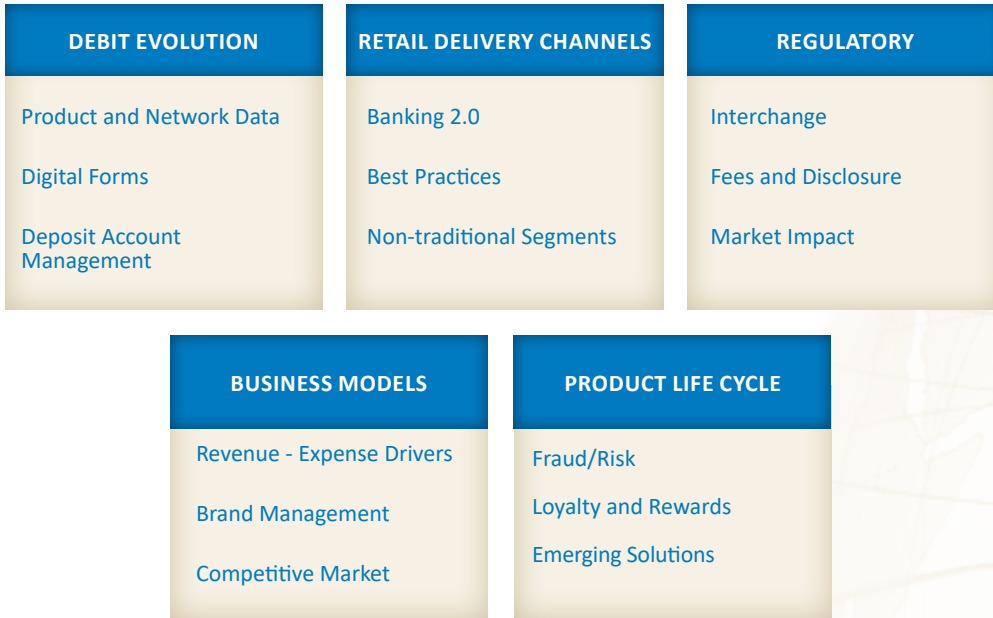

Mercator Advisory Group's **Debit and Alternative Products Advisory Service** concentrates on the dynamics of the pay-now market including traditional and nontraditional debit market stakeholders and the vendors who serve them. The emphasis of this service is on examining and articulating the driving forces of the consumer debit market including regulatory issues, emerging technologies, competitive market dynamics, market data, EFT and card network companies. Analysis of other pay now products such as real-time payments, person-to-person solutions, ACH, and bill pay are included in this service.

The Debit and Alternative Products Advisory Service focuses on identifying areas of opportunity and competition, monitoring new developments that will impact growth from the perspectives of the various stakeholders through analyzing key metrics and identifying market trends.
